Canada Research Chairs Utilization
November 11, 2026

The Algoma University CRC utilization spreadsheet is maintained by the Canada Research Chairs Program and tracks the number of Canada Research Chairs allocated to Algoma University, how many are filled, and the names of the holders.

ID	Chairholder	Start Date	End Date	Term	Agency	Tier	Status
101475	Molina, Isabel	2023-07-01	2028-06-30	2	NSERC	2	Active
102055	Steeves, Paulette	2024-07-01	2029-06-30	2	SSHRC	2	Active
102239						2	Available

CRC Allocation: 1 Special Chair Tier 1, 1 Special Chair Tier 2

Note that a flex move was used to have Tier 1 chair divided into two Tier 2 chairs. Algoma University has used 1 flex move currently and has 4 available.

Special Chair Tier 2 (#102239) is the previous Invasive Species Chair allocation, and expired March 31, 2026.

Special Chair Tier 2 (#100025) was vacant and surrendered at the time of the 2025 reallocation exercise.
