

ALGOMA UNIVERSITY ATHLETICS

Algoma University has a lengthy history of offering varsity athletics programming. Our student-athletes have earned notable recognition at the regional, provincial, and national level and are champions in their sports. As a member of the Ontario University Athletics (OUA), our varsity teams compete in the preeminent university sport conference in Canada, giving our student-athletes the tremendous opportunity to excel and grow.

Our student-athletes compete in the following sports:

Basketball
Cross-country running
Curling
Nordic skiing
Soccer
Wrestling

ADOPT-A-THUNDERBIRD

Adopting an Algoma U Thunderbird allows alumni, friends, family, and the community the opportunity to support our student-athletes. Your generous donation has a direct impact on the quality of the program, strengthening our commitment to excellence in athletics, enhancing the experience for our student-athletes, and helping to build our future leaders.

Algoma University student-athletes work hard and make considerable sacrifices to maintain their academic standing while training and competing in their respective sport. Each year student-athletes log thousands of kilometres and many long hours traveling to and from competitions across Ontario, Canada and the United States.

HOW YOUR SUPPORT HELPS
