# ONLINE
## APPLICATION DAY
### FOR CURRENT SAULT COLLEGE STUDENTS

## TUESDAY, APRIL 14TH | Application fees are waived during this event.

### HOW TO APPLY:

Apply directly online (https://apply.algomau.ca/apply/register) to Algoma University. Note that application fees can only be waived if applying direct through our website and not through the Ontario University Application Centre (OUAC).

In the **'Academic History'** portion of the application, select **'Sault College of Applied Arts and Technology'** as the **'Last College/University Attended'.** This is crucial in order for the application fee to be waived automatically.

Document uploads are available within 'Academic History' after the application is submitted. Please upload your transcript here. Students may use the transcript available within their Sault College student portal.

Applications cannot be processed without a transcript.

### ADDITIONAL INFORMATION:

Upon completion and receipt of diploma program, please arrange to have final official transcripts sent from Sault College to Algoma University Admissions. Once received, they will be reviewed by the Admissions Office and transfer credits will be awarded at that time.

Students may apply at any point within their college program, it does not need to be within the final year.

If you would like more information, please email collegeoutreach@algomau.ca

## APPLICATION FEES WAIVED ON APRIL 14TH ONLY.
