OUR WATER, OUR FUTURE: A CONVERSATION WITH WATER DEFENDERS

On **Sunday March 28, 2021 from 1-3pm**, in alignment with the Sugar Making Moon, please join us for a conversation about our water and our future. **Stephanie and Autumn Peltier** have been travelling the world advocating for the protection of water for all beings of earth. In this dialogue you will learn about the maple harvest, cycles of the moon, the breaking of the ice as the season changes, and **our responsibilities as humans to restore, defend, and ensure clean water for all.**
