MEMO: Covid-19 updates - Reopening and SaniTrakr Updates

TO: Students

CC: AUSU & SASA Presidents and Pandemic Taskforce

FR: Brianne Pringle, Acting Director of Human Resources

PHASE 1 REOPENING PROVINCIAL DIRECTIVES

The Provincial government [announced](#) that Ontario will be entering Phase 1 of reopening on Friday June 11 , 2021.

We are pleased to announce the following operating hours for the Sault Ste. Marie campus beginning Wednesday June 16, 2021:

Shingwauk Hall - Monday to Friday - 8:00 am to 6:00 pm, Saturday 1:00pm to 9:00pm
(entrance via Z or U door)

Convergence Center - will be accessible via card access. If you believe you need your access updated, please contact covid@algonau.ca. All students will be required to screen in via SaniTrakr upon arrival.

The Wishart Library will continue curbside pickup on Tuesday, Wednesday, Thursday from 10am-3pm. Research help is available by emailing reference@algonau.ca or via the [Ask a Librarian](#) online chat service

IT Services/Computer labs will continue to operate Monday to Friday from 8 a.m. to 7:30 p.m. To connect with an IT Service Desk team member, call 705-949-2301 x4450 or (888) 902-7866 during our hours of operation or start a chat session. On the IT Support portal page, search our solutions for self-serve options or submit an incident or service request.

NW203 Lab will be open and available, with capacity restrictions, during normal campus hours.

The Food Bank will continue to operate Tuesdays 1:00pm to 7:00 pm, Fridays 11:00 am to 4:00 pm

Brampton Campus reopening plans are currently underway with more information to follow.

Timmins Campus students are asked to continue to follow the direction of Northern College.

SANITRAKR SCREENING SOFTWARE UPDATES

As of June 10, 2021 our screening software will be updated to include self registration and password. This update is a part of the software company's obligation to keep client information confidential and strengthen its own security protocols.

Students will continue to use their student ID number as their login ID and will be prompted to create a unique password for their profile. There is also a "forgot password" feature to reset your password in case you do not remember it. **We do not have access to your passwords.**

If you have an Android phone, can you download the SaniTrakr app, otherwise please use this [website](#) or scan the QR code upon arrival to campus.

DID YOU GET YOUR VACCINE? LET US KNOW AND YOU CAN WIN!

We are encouraging a safe return to campus and with vaccinations ramping up, we are truly excited to welcome everyone back. If you received your COVID-19 vaccine, even if it's just the first dose, let us know and we will enter you in a draw for great prizes! **Up to \$4000.00 in prizes for students!**

To learn more about the contest, [click here](#).
