For those working and studying in Timmins, our partners from Northern College have provided updates on covid related protocols and guidelines over the last several weeks. We would like to remind you that our employees and students in this location are required to follow all Northern College directions and public health measures.

We have linked some of those important messages below:

Please review the Northern College Vaccination Policy [here](#).

The Timmins campus will be hosting a vaccination clinic on campus today:

Tuesday, September 7th from 10am to 5pm in the gymnasium.

Screening

All students and employees are required to screen in through the Northern Colleges screening app found [here](#). You can view the video tutorial [here](#).
