

QUARANTINE READINESS PLAN

for Non-vaccinated & Recently Recovered Travellers

Step 1: Check your eligibility to travel

- I have been accepted to Algoma University.
- I am registered for classes for the semester that I'll be travelling in. (Check **Student Portal > Academic Summary** for details.)
- I am in possession of a valid Study Permit, or a letter stating that I've been approved for a Study Permit.
- I am in possession of a valid Temporary Resident Visa, if applicable.
- My flight is, or will be, scheduled within the Supported Travel Dates. ([Click here for details.](#))

Step 2: Understand your Quarantine Requirements

- I have a valid molecular COVID-19 pre-entry test results taken within the required time of my scheduled departure to Canada. ([Click here for details.](#))
- I understand I will need to take an Arrival Test upon arriving in Canada, through Switch Health.
- I understand I will need to go directly to my reserved hotel to await test results.
- I understand that I must follow Algoma University's Quarantine Readiness Plan and quarantine for 14 days through an approved quarantine plan provider.

Step 3: Book your flight and quarantine accommodation

OPTION 1

- I have purchased my flight ticket myself, and I am scheduled to arrive within the Supported Travel Dates.
- I have contacted Study Safe Corridor - TRAVEL SAFE, and made reservations for an approved quarantine plan. ([Click here for link.](#))
- I have received my reservation confirmation email from Study Safe Corridor - TRAVEL SAFE.
- I have received my "Know Before You Travel" email from Study Safe Corridor - TRAVEL SAFE.
