

Good afternoon,

Today, the Ontario Government [announced](#) preventative measures to help keep case counts in Ontario from surging.

All of Ontario will enter a modified Step 2 level at 12:01am on January 5th, 2022.

As such, the George Leach Centre (GLC) will be closed as of Tuesday, January 4th, 2022, at 10:00pm. We will monitor provincial public health guidelines as to when we are able to reopen. At this time, the new government measures have been announced to be in place for at least 21 days.

During this time, memberships will be put on hold. As we receive more information on the current government-mandated closure we will communicate the process to reactivate memberships.

All payments will be stopped over this period until we are able to re-open and memberships are reactivated.

Should you have any questions, please contact AJ Pirillo at aj.pirillo@algomau.ca.

Thank you for your continued patience and understanding on this matter during this unprecedented time.
