

COMMUNICATION MEMO

Pandemic Task Force

2022-05-05

MEMO: **Important COVID-19 Reminder - Masks Required on Campus**
TO: Students, Staff and Faculty
FROM: Brianne Pringle, Director, People & Culture

The Algoma University community has done a tremendous job in keeping each other safe throughout the course of the current pandemic. Although we are not out of the pandemic, we remain cautiously optimistic. With that, the Pandemic Task Force would like to remind all students, faculty and staff that our mask policy **remains in effect until further notice**.

The [Mask Policy](#) can be found [here](#).

We require everyone to wear a three-ply medical-grade mask or layer your cloth mask with a medical-grade mask. Wearing masks that provide better protection is a simple way for you to not only protect yourself but also protect others.

We must remain cognizant and dedicated to our ongoing efforts to keep ourselves and those around us safe and we thank you for your adherence to all protocols. Our collective efforts will continue to make a difference.

In addition, **passive screening remains in effect** - which means we ask that if you are feeling unwell, do not come to campus.

Everyone should use the [Trackr Safety](#) screening program to passively screen prior to arrival on campus each day.

Should you have any questions or concerns about COVID-19, specific to Algoma University, please email covid@algomau.ca.

For ongoing updates, please visit Algoma U's dedicated [COVID-19 page](#).
