

QUARANTINE READINESS PLAN

for Non-vaccinated Travellers

Step 1: Check your eligibility to travel

- I have been accepted to Algoma University.
- I am registered for classes for the semester that I'll be travelling in. (Check **Student Portal > Academic Summary** for details.)
- I am in possession of a valid Study Permit, or a letter stating that I've been approved for a Study Permit.
- I am in possession of a valid Temporary Resident Visa, if applicable.
- My flight is, or will be, scheduled within the Supported Travel Dates. ([Click here for details.](#))
- I am under 18 years of age.

Step 2: Understand your Quarantine Requirements

- I have a valid COVID-19 pre-entry test result taken within the required time of my scheduled departure to Canada. ([Click here for details.](#))
- I understand I will need to take an Arrival Test upon arriving in Canada, through Switch Health.
- I understand I will need to go directly to my quarantine accommodation.
- I understand that I must follow Algoma University's Quarantine Readiness Plan and quarantine for 14 days.

Step 3 & 4: Book your Flight and Complete the Preparation Process

- I have purchased my flight ticket and I am scheduled to arrive within the Supported Travel Dates.
- I have reviewed the [Quarantine Readiness Plan](#) and the information provided on preparing a self created quarantine plan.
- I have reviewed the document "what to consider when creating your quarantine plan" when creating a suitable quarantine plan.
- I will provide my quarantine accommodation details on the [Non-Vaccinated Travellers form](#) and to ArriveCan.

- I have provided my arrival details and my flight itinerary to the Arrival Team by submitting the [Non Vaccinated Travellers Form](#).
- I have purchased and received my Confirmation of Enrollment (COE) Letter through the Student Portal.
- I have reviewed and understood the [Quarantine Readiness Plan](#) that I must follow.

Step 5: Gather your Documents

- I have printed my Travel Support confirmation message automatically generated when submitting the Non-vaccinated Travellers Form.
- I have my flight confirmation for all flights.
- I have my Confirmation of Enrollment Letter.
- I have my passport, and all immigration related documents pertaining to my Visa and Permit(s).
- Obtain proof of medical insurance

Step 6: Travel Safely to Canada

- Complete [pre-entry testing](#).
- Download and complete [ArriveCan](#).
- Update your form submission if there are changes to your itinerary.
- For Sault Ste. Marie students: Book an airport shuttle [here](#).
- Complete [Arrival Testing](#).
- Proceed directly to your quarantine address.
- Complete the [day 8 test](#) and the full 14 day quarantine.
