

# Learners Early Access Program

**Now accepting applications for:  
Winter Semester (Jan. 2025-June 2025)**

## PROGRAM What is it?

The LEAP program is an excellent opportunity for current high school students in the Peel Region to experience university learning while completing their high school diploma.

## STUDENTS Who are the key student target groups?

This program seeks to address existing systemic barriers that lead to disproportionalities within education through supporting secondary school students in their grade 11 or grade 12 year.

**Students must be on track to complete the Ontario Secondary School Diploma (OSSD) taking U or M level courses and must have completed ENG2D prior to the semester start.**

## COURSES What are the courses offered?

Students can earn 4 OSSD credits and 2 university courses.

- OSSD Course Options: ENG4U/HSE4M/BBB4M/IDC4U/COP2X
- Micro-credential in Project Management

Algoma University Course Options:

- ADMN 1016: Introduction to Canadian Business
- ADMN 1706: Introduction to eSports

## THE EXPERIENCE What can students expect?

- All classes take place at Algoma U - Brampton Campus - 56 Queen St. East, Brampton
- All classes scheduled Monday-Friday, 9:00 am - 2:45 pm
- OSSD courses taught by PDSB teachers in a classroom setting
- Algoma University courses taught by AU professors in an integrated AU setting
- Opportunity for students to further explore their education and career-life planning pathway through various field trips, academic advising, writing workshops, research workshops, tutoring etc.
- Textbooks, and AU course costs covered - \$2000 university experience completely FREE!
